Thank you to our Sponsors

A sincere thank you to our sponsors whose generous support helps make our events possible and sustains our activities throughout the year. Your contributions are invaluable in fostering a sense of community and camaraderie among our members.

Our event at Brisbane Golf Club was proudly sponsored by Symbion and Terry White Chemmart, with Symbion being represented on the day by Andrew Crawley, General Manager - Pharmacy, and Michael Lendvai, Key Account Manager - QLD. We hope Andrew and Michael had a fantastic day, and we sincerely thank them for their ongoing support.

We also extend our gratitude to Pharmacy Solutions, Peter Marshall, and Bob Rose, our wonderful ball sponsors. Although they couldn't join us, their support for the NTPs, approach shots, and straightest drives is greatly appreciated.

Brisbane GC Event recap

Our golf day at Brisbane Golf Club on the Monday, 13th May, saw a great turnout with 84 players in attendance. The sunny weather and well-maintained course that stood up to the recent long wet weather conditions, made for a perfect day of golf. Our new Vice President, Lou Condon, stepped in on behalf of President Mark Kleimeyer, who was away overseas. Her enthusiasm of her new role was evident in her address and presentation of prizes to the winners on the day.

As we embark on another day filled with friendly competition and good company, let us remember the spirit of sportsmanship and fellowship that defines our club. Let's make the most of this opportunity to enjoy each other's company, celebrate our shared passion for golf, and create lasting memories together
