

Presidents Report Christo Grove

On Monday the 21st of July, we held our monthly golf day at Maroochy River. The format was Ambrose. We had a good field of around 80 players. The weather held out for us, with only a few sprinkles towards the end of the day. Competition was good and it was close, with a few bolters in the end!

Our sponsor of the day was NAB, a longstanding and valued partner with Queensland Chemist Golf, represented by Scott Rossiter. Balls for on course prizes were sponsored by Pharmacy Solutions, many thanks to Peter Marshall for his support.

Congratulations to our winners on the day. These teams contended best with the strong wind that was playing havoc with our club selections. At one stage it was more than a 2-club wind. Quite the challenge when one is not used to playing in these conditions regularly.

We also had a rare feat completed on the day with Adam Lai getting a **hole in one** on the 12th hole! Well done, Adam!

After a slow start on the catering front, we eventually had a late lunch on the course (apologies for the delay), however a beautifully presented dinner with lovely dessert made up for it.

After a few drinks and catching up with our golfing friends, we wound up and got out at a reasonable time to take on the drives home.

A good time had by all.

Thanks for another great day at Queensland Chemists Golf
